## "PASS-D-UNSATISFACTORY" REGISTRATION FORM

## **Spring 2020 Special Option**

In light of the disrupted class meeting format resulting from covid-19 precautions in the spring 2020 term, all students are being offered the option to change courses to pass/d/unsatisfactory grading status. This option is available, but not required, for all of your registered courses, including major requirements and general education as well as minor requirements and electives. If this option is chosen, grades of C- or higher will be converted to "P" on the transcript and will not be factored into the term or cumulative GPA. Grades of "D" or "U" will stand and will be factored into the GPA. For this term only, courses selected for a P/D/U grade will not count against the maximum of seven hours that students are allowed to elect to take on a P/D/U basis. As you consider this option, be advised of the following:

- The absolute deadline to submit this form is 4:30 p.m. May 12, 2020, the last day of classes before finals. This form must be emailed from your Centre email account to <a href="mailto:sharon.duncan@centre.edu">sharon.duncan@centre.edu</a> by that time.
- Some graduate/professional schools may require the actual letter grade to meet admission requirements. The P/D/U option is not reversible in the future.
- If you are currently on probation, this option may affect the GPA required for your continuation.
- Keep in mind that grades of "P" will not help or hurt qualification for graduation honors. Furthermore, students must be registered for at least eight hours of regular letter graded courses in order to be considered for the Dean's List.

Please carefully consider these items before making your decision. Again, once we receive your form, the grading type will not be reversed. If you decide to use this option, please complete the form below and email it by the deadline stated above.
