

Stodghill Proposal for 2019-2020 Academic Year

Your Name:

Your Title and Program:

Abstract or Summary (3-4 sentences)

Date and Outcome of Last Stodghill (if any):

Term or terms of proposed Stodghill:

If needs of the College or Program necessitate moving the term of your Stodghill, would an alternative term work for what you have proposed?

Description of Your Project (please limit the last five sections to a total of 1100 words)

Expected Outcomes and Timetable for Completion

How does this project benefit you and the college?

How is this project feasible in the time frame requested?

How will your release time affect your academic program and course offerings? Please confirm that you have discussed these issues with both your program and division chairs.

*Please save this file as YOURNAME_STODGHILL_PROP.docx (or .pdf) and upload the document to Faculty Development Committee "course" in Moodle. Within the FDC "course", you will find three links for "Stodghill Proposal." Please upload the document using your division link by **5 pm October 1.** Contact Jennifer Muzyka if you have questions.*
