Eduroam Wireless Access Android Devices

Overview:

Eduroam enables you to use your Centre College account to obtain free wireless access to the internet at participating institutions around the world. Students and colleagues from participating institutions can enjoy the same benefit when visiting Centre College.

Eduroam wireless access is available at more than 1,000 institutions within the US and thousands more around the world. To see where you can Eduroam click the following links.

- Eduroam US locator map: https://www.incommon.org/eduroam/eduroam-u-s-locator-map/
- World locator map: https://monitor.eduroam.org/map_service_loc.php
- You can also download the Eduroam Companion App to help you locate Eduroam hotspots as you travel. https://www.eduroam.org/eduroam-companion-app/

The best way to configure your iOS device to access Eduroam is to use the Eduroam Certificate Installer.
