

FACULTY SUMMER RESEARCH GRANT REPORT

Summer grant reports are due **September 1, 2018.**

- Report Forms are available on the FDC Moodle page (<https://courses.centre.edu>) OR at: https://centrenet.centre.edu/ICS/Academic/Academic_Affairs/Councils__Committees/Faculty_Development_Committee/
- Reports must be submitted through the Faculty Development Committee **Moodle** Module.
- *The information in these reports may be used in reports to major funding sources.*

A. Name of Recipient:

B. Project Title:

C. Funding Sources: Did you receive funding from a source other than or in addition to standard FDC funds? (Check all that apply)

Metzger Alcock Mellon

D. Budget:

	AMOUNT RECEIVED/source of funds	AMOUNT SPENT
Faculty Stipend		
Student Stipend		
Travel Expenses		
Books & Software		
Supplies		
Services		
Other (no food)		
TOTAL		

E. Names of student researchers (if any):

F. Please list any publications, presentations, artistic pieces, or other type of product resulting from your funded activities.

E. Describe your summer research activities as completely and concisely as possible (recommended word length: 500-1000 words). Please limit your use of jargon and write in a manner that would be understandable to a wide range of faculty from different fields of study. In addition to describing what you did, please describe

- if your actual activities differed from your proposed activities and how.
- how your funded activities contribute to your professional development.
- when applicable, how the work will contribute to a new course or a new module within a course.
