Subject: Registration Week - Final Notice

Importance: High

Good morning everyone,

This week is registration week! At your assigned time below, you will be able to login to CentreNet and register yourself for your Fall 2026 schedule.

Here is the schedule for first-year registration (EST):

Last Names A-G	Monday, July 6	10:00 a.m. EST and after
Last Names R-Z	Tuesday, July 7	10:00 a.m. EST and after
Last Names H-Q	Wednesday, July 8	10:00 a.m. EST and after

You must have received registration clearance from your summer adviser before you will be able to register in CentreNet.

Once your time to register begins, your registration access will remain open until Friday at midnight (7/10/2026 4:00pm EST) Also, please note that we will be reserving seats in some classes for each registration groups. For example, DLM 110 will eventually hold 18 students in each section. We will open 6 seats in each of those sections today. Then, we will add 6 seats for tomorrow's group, and 6 final seats will be opened for Wednesday's group.

Be sure to have a list ready with the course sections you want to take, along with some alternate courses and sections in case something you want is full (closed) at the time you register. A PDF version of the fall schedule is online at: https://centrenet.centre.edu/ICS/Academic/Registrars_Office/Calendar.jnz Note that in the "days" section of the schedule, "T" stands for Tuesday and "R" stands for Thursday.

After registration begins, if a course you would like to take becomes full, you can be added to a waitlist for that course by emailing registrar@centre.edu the entire course code and section (Ex. DLM 110 section A) from your **Centre email account**.

You will automatically be registered for your assigned FYC section after registration. You will not register yourself into FYC 001. FYC 001 meets on Tuesday – 11:30am – 12:30pm so it will not conflict with any other classes.

If you have not already, you can learn the exact process for registration by watching this brief video: <https://vimeo.com/956563271?share=copy>

If you encounter any problems registering for your classes, you may call the Registrar's Office at 859-238-5360 (8:00 a.m. – 4:30 p.m., Monday through Friday). Be aware that during peak registration times our office may experience high call volumes. If we miss your call, please wait a few minutes, and try to call us back.

Respectfully,
Jacob I Johnson, PhD
Registrar
