Subject: Final Reminder Regarding Registration Week

Importance: High

Hello Centre First-Years!

This is our final message with information about registering for your fall term classes next week. This is the last week for you to connect with your summer academic adviser before registration week.

We urge you to take advantage of the opportunity to speak with your summer academic advisor about your course choices (and any other questions you might have) so you can receive registration clearance and register on time next week.

Our office has published a video with subtitles that demonstrates how to register yourself in classes on CentreNet. That video can be accessed on the Registrar's page on CentreNet here:

<https://vimeo.com/956563271?share=copy>

You should register for your fall term classes any time after 10:00 a.m. on your assigned day. After your registration period begins, the registration portal will remain open until Friday, July 10 at 4:30pm. The sooner you register, the better.

Here is the schedule for first-year registration:

Last Names A-G	Monday, July 6	10:00 a.m. EST and after
Last Names R-Z	Tuesday, July 7	10:00 a.m. EST and after
Last Names H-Q	Wednesday, July 8	10:00 a.m. EST and after

Be sure to have a list ready with the course sections you want to take, along with some alternate courses and sections in case something you want is full (closed) at the time you register. A PDF version of the fall schedule is online at: https://centrenet.centre.edu/ICS/Academic/Registrars_Office/Calendar.jnz. Note that in the "days" section of the schedule, "T" stands for Tuesday and "R" stands for Thursday.

After registration begins, if a course you would like to take becomes full, you can be added to a waitlist for that course by emailing registrar@centre.edu the entire course code and section (Ex. DLM 110 section A) from your Centre email account.

You will automatically be registered for your assigned FYC section after registration. You will not register yourself into FYC 001. FYC 001 meets on Tuesday – 11:30am – 12:30pm so it will not conflict with any other classes.

If you encounter any problems registering for your classes, you may call the Registrar's Office at 859-238-5360 (8:30 a.m. – 4:30 p.m., Monday through Friday). Be aware that during peak registration times our office may experience high call volumes.

Also, if you have not already, if you have dual credit that you would like for us to evaluate, please complete this Microsoft Form here: <https://forms.cloud.microsoft/r/RTtu2aBCHB>

Respectfully,
Jacob I Johnson, PhD
Registrar
